

Support the Federation! Support Young People!

Young people are the future and hope of Hong Kong. However, for them to be able to make a difference, they must be afforded every opportunity to reach their full potential. The Federation is one of the largest providers of youth services in Hong Kong. Some of our programmes include:

- ***Leadership 21:*** providing comprehensive, systematic and high quality leadership training to potential youth leaders in Hong Kong. Nearly 1,300 participants have been recruited for various Certificate Courses offered every year.
- ***The Youth Volunteer Network:*** which promotes volunteerism among young people, resulting in more than 60,000 registered youth volunteers contributing more than 2,000,000 accumulated service hours in 2003.
- ***The Youth Employment Network:*** providing training and support services to enhance the employability of young people. Along with the Education and Career Guidance Booths in the Federation's 21 Youth S.P.O.Ts, over 156,000 enquires were handled in 2003.
- ***The Youth Support Scheme and Outreaching Social Work Service:*** through individual casework, group programmes and volunteer services, these programmes address the issues of more than 1,000 delinquent youth and youth-at-risk a year.
- ***A Hotline Service:*** "Youthline 2777 8899" handles nearly 60,000 incoming calls a year, providing immediate counselling services for youngsters in crisis and distress.
- ***Youth S.P.O.Ts:*** 21 Youth centres, providing the Space for *P*articipation, *O*pportunities and *T*rainings, allow young people to develop social skills, while also providing them a safe place in the neighbourhood for learning and leisure. The total centre-based attendance of all Youth S.P.O.Ts reaches over 2,600,000 a year.

Please join the Federation in providing young people with the opportunities and services that they deserve!
